Producer and Import Price Index in September 2019

Producer and Import Price Index fell by 0.3% in September 2019

The Producer and Import Price Index fell in September 2019 by 0.3% compared with the previous month, reaching 101.1 points (December 2015 = 100). This decline is due in particular to lower prices for petroleum products and scrap. Compared with September 2018, the price level of the whole range of domestic and imported products fell by 2.0%. These are some of the findings from the Federal Statistical Office (FSO).
