

# Swiss Standard Classification of Occupations – CH-ISCO-19

---

## Description

The CH-ISCO-19 incorporates the first four levels of the International Standard Classification of Occupations (ISCO-08) and has added a fifth level to take into account the particularities of the Swiss labour market. This classification replaces the Swiss Standard Classification of Occupations from 2000 (SSCO 2000).

### Revision:

-

### Current version:

CH-ISCO-19: Swiss Standard Classification of Occupations

---

## Methodology

### Five-tiered classification code structure

Major group (one digit), Sub-major group (two digits), Minor group (three digits), Unit group (four digits) and Type (five digits).

---
