

# Imports and exports in goods transport by rail<sup>1</sup> by country<sup>2</sup>, 2018

## Imports, in million tonnes

## Exports, in million tonnes

<sup>1</sup> Only transports by transport companies with a transport performance of more than 500 million tonne-kilometres per year are included.

<sup>2</sup> Countries in which the goods trains were loaded or unloaded. Do not necessarily correspond to the actual country of origin or final destination of goods.
