Second interview of <Jahr> graduates of institutions of higher education

You participated in the first survey in <Jahr+1> after graduating and kindly provided us with your address for a follow-up survey. For this reason, we are inviting you to take part in our research by participating in the second interview of <Jahr> graduates of institutions of higher education.

Who is the survey aimed at?

We are interviewing persons who graduated in <Jahr> with a diploma, licentiate, state examination, Bachelor's degree, Master's degree or PhD (doctorate) from a Swiss institution of higher education.

The success of the survey depends on your participation

Your experiences and your opinion are very important. We need your participation in order to obtain comprehensive data and reliable and representative results on the employment and education path of highly qualified graduates.

How long does it take to complete the questionnaire?

The time needed depends, of course, on the extent of your professional experience and your further education and training behaviour over the last five years. Most of you will need about 20-30 minutes.

How should you fill in the questionnaire?

You will be able to open the questionnaire several times. Each time you open the questionnaire, you will automatically return to the last question answered. To move backwards and forwards in the questionnaire, please use the "back" and "forward" navigation buttons at the end of each page and not the browser buttons (e.g. Internet Explorer).

Your comments and additional information are most welcome!

At the end of the questionnaire you will find the appropriate place for them.

Data protection

We assure you that your information will be handled with the strictest confidentiality and that the data will be made anonymous for analysis.

Thank you very much for your cooperation.

Important notice!!!!!!!

According to the Swiss university information system in <MONAT_E> <Jahr> you obtained a <Studienstufe>. Please refer to this qualification when answering questions on your education or course of study, even if you have obtained a further degree in the meantime. If the specifications of your degree are not correct, please contact us immediately.

Notice to programmer:

<Studienstufe> =
<Diploma> wenn stufex=10
<Diploma/Licentiate > wenn stufex=20
<Bachelor> wenn stufex=15
<Master> wenn stufex=25
<PhD> wenn stufex=40
