High growth Enterprises 2011-2014

4594 high-growth enterprises in terms of jobs in 2014

Neuchâtel, 06.03.2017 (FSO) – The Federal Statistical Office (FSO) is publishing findings for the first time on high-growth enterprises. These are enterprises where the number of jobs has increased by an annual average of more than 10% over a three year period. These new statistics give an insight into the dynamics behind the development of enterprises in Switzerland. The initial findings show that in 2014, there were 4594 high-growth enterprises in Switzerland that had contributed to the creation of more than 88,000 jobs between 2011 and 2014.
