The key publications

Statistical Yearbook of Switzerland

The "Statistical Yearbook of Switzerland" (German/French) published by the Federal Statistical Office has been the standard reference book for Swiss statistics since 1891. It contains the most important statistical findings regarding the Swiss population, society, government, economy and environment.

Statistical Data on Switzerland

Statistical Data on Switzerland is an appealing and entertaining summary of the year's most important figures. With 52 pages in a practical A6/5 format, the publication is free of charge and available in five languages (German, French, Italian, Romansch and English).

The FSO online – www.statistics.admin.ch

The Swiss Statistics website offers you a modern, attractive and up-to-date gateway to all statistical information. We would like to draw your attention to the following popular offerings:

Publication database – publications offering further information

Almost all publications published by the FSO are available in electronic form on the website free of charge. Print publications can be ordered by telephone on 058 463 60 60 or by emailing order@bfs.admin.ch.
