Structural data from medical practices and ambulatory centres 2020

## Turnover of CHF 12.1 billion for medical practices

At the end of 2020, there were 16 876 medical practices and ambulatory centres in Switzerland. Overall annual turnover was CHF 12.1 billion. In more than one out of two practices, medical records were computerised. These are some of the results of the latest survey of structural data from medical practices and ambulatory centres carried out by the Federal Statistical Office (FSO).
