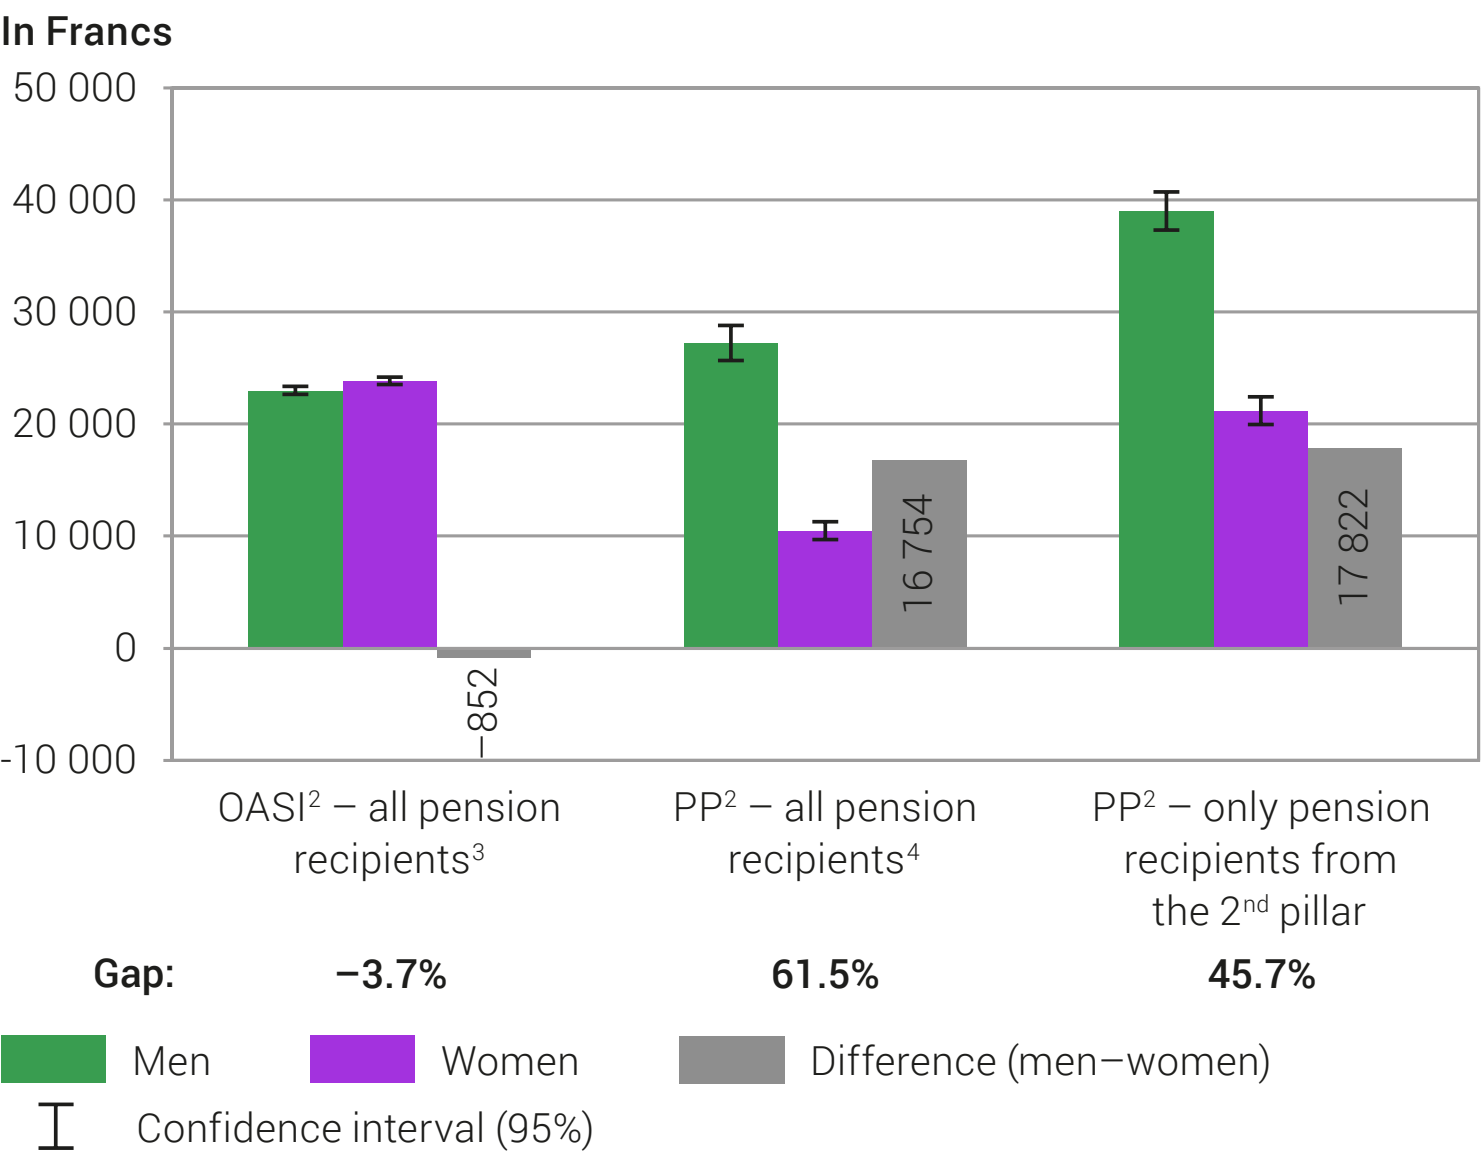
Average annual pensions from OASI and PP, by gender, 2021

Pension recipients[1] aged 65 and over



[1] Pension recipients are persons who receive at least one pension from one of the three pillars of the Swiss pension system or from abroad. Persons in care institutions are not included.

[2] OASI = old-age and survivors' insurance
PP = occupational pension plans

[3] Including persons who do not receive a pension from OASI but at least one pension from one of the other pillars of the pension system or from abroad.

[4] Including persons who do not receive a pension from PP but at least one pension from one of the other pillars of the pension system or from abroad.
