05 Prices

Swiss construction output price index in April 2023

Construction prices rose by 1.0% in April 2023

The construction price index recorded a rise of 1.0% between October 2022 and April 2023, reaching 113.9 points (October 2020 = 100). This result reflects an increase in building and civil engineering prices. Year on year, construction prices increased by 4.3%. These are some of the findings of the Federal Statistical Office (FSO).
