Population size and change in Switzerland in 2022: final results

Switzerland's population continued to grow in 2022

On 31 December 2022, Switzerland's permanent resident population was 8 815 400, i.e. 0.9% more than in 2021. This population growth was slightly higher than in previous years. At the same time, the population is getting increasingly older. These are the final results of the population and households statistics from the Federal Statistical Office (FSO).
