Statistical Yearbook of Switzerland 2022/2023

New yearbook: Federal statistics experts present a portrait of Switzerland

The Federal Statistical Office's (FSO) longest standing publication, the Statistical Yearbook, appears today with a completely new look. The FSO presents a modern portrait of Switzerland in just over 400 pages. The Statistical Yearbook presents the main statistics from 21 topics. Contextual information on how statisticians work helps make sense of the figures presented. The book also opens the door to the FSO's digital services and an unprecedented wealth of statistical information.
