Swiss construction output price index in October 2023

Construction prices rose by 0.6% in October 2023

The construction price index rose by 0.6% between April and October 2023, reaching 114.5 points (base October 2020 = 100). This result reflects an increase in building and civil engineering prices. Year on year, construction prices increased by 1.6%. These are some of the findings from the Federal Statistical Office (FSO).
