2024 Statistical Yearbook

The 2024 Statistical Yearbook reveals and explains the trends that move Switzerland

The Statistical Yearbook of Switzerland, the longest-running publication of the Federal Statistical Office (FSO), is now in its 130th edition. This year's 400-page yearbook features engaging insights into the most important statistics on Swiss society and its people and includes over 130 QR codes for easy access to a wealth of additional statistics and datasets online. The special focus of this edition is health.
