Swiss Community Day on Data, Tuesday 3 December at the Zentrum Paul Klee in Bern

The Swiss Community Day on Data brings together the committees for official statistics, data management and data science

On Tuesday 3 December, the Federal Statistical Office (FSO) is organising the second Swiss Community Day on Data in cooperation with Digital Public Services Switzerland (DPSS) and the City of Bern at the Zentrum Paul Klee in Bern. The main topics of this year's event will be data science and artificial intelligence. The members of the different committees overseen by the FSO will have the opportunity to network and share best practices.
