Road vehicles in 2024: New registrations and total vehicle stock

Share of new electric vehicles falls in 2024

After years of at times strong growth, the all-electric vehicle share of new registrations fell slightly in 2024. For passenger cars this figure fell to 19.0% (down from 20.7% in 2023) and for goods vehicles to 8.6% (2023: 12.2%). Overall, the number of new motor vehicle registrations in 2024 was 2.9% lower than in the previous year. The total number of vehicles nevertheless increased by 0.9% to 6.5 million. These findings are from the official Road Vehicle Statistics published by the Federal Statistical Office (FSO).
