Statistical Yearbook and Statistical Data on Switzerland 2011

New edition of standard reference book on Swiss statistics

Neuchâtel, 25.02.2011 (FSO) – **The 2011 editions of the Swiss Statistical Yearbook and the Statistical Data on Switzerland have just been published. Both publications from the Federal Statistical Office (FSO) enable a statistically-based situation update of 21 major topics affecting the world we live in - from the population to the economy, health, education, culture and crime. The Yearbook (incl. CD-ROM) is a comprehensive summary, the Statistical Data on Switzerland a brief statistical emergency ration.**
