Statistical Yearbook and Statistical Data on Switzerland 2012

New edition of standard reference book on Swiss statistics

Neuchâtel, 06.03.2012 (FSO) – **The 2012 editions of the Swiss Statistical Yearbook and of Statistical Data on Switzerland have just been published. Both publications from the Federal Statistical Office (FSO) enable a statistically-based situation update of 21 major topics affecting the world we live in – from population to territory and environment, employment and wages, enterprises, health, education, social insurances and crime. The Yearbook (incl. DVD) is a comprehensive reference work and Statistical Data on Switzerland a much abridged edition.**
