Lump-sum withdrawals from occupational pension plans and pillar 3a, by age group and sex, 2015

Remarks:
BV = occupational pension plan
RA = retirement age

Legal retirement age: 65 (men); 64 (women)

The age groups included in the "before legal RA" and "after legal RA" categories depend on the pillar being considered:
BV – "before legal RA" from age 58 and "after legal RA" up to age 70
Pillar 3a – "before legal RA": from 5 years before legal retirement age; "after legal RA": up to 5 years after legal retirement age
