Swiss Statistics Meeting 2025

Swiss Statistics Meeting 2025 – A focus on the essential to inform society

The Swiss Statistics Meeting will be held from 5 to 7 November 2025 at the University of Geneva (Uni Mail). The 2025 event will highlight the need to focus on the essential when creating value in statistical processes – a priority made all the more urgent given the limited funding available. The programme will explore how statistical stakeholders can set priorities wisely and identify the data and analyses that benefit society most.
