Swiss CommUNITY Day on Data 2025 – Forum Fribourg

Data platforms take centre stage at the Swiss CommUNITY Day on Data: connecting data for the future

On Thursday, the Federal Statistical Office (FSO) held the third Swiss CommUNITY Day on Data at Forum Fribourg, in collaboration with Digital Public Services Switzerland and the Fribourg cantonal statistics and data service (SSD). Data platforms were at the heart of this year's event, which brought together members of the various FSO partner committees. The day yielded a productive exchange of best practice on the various aspects of data platforms, including infrastructure, security, interoperability and the use of AI.
