Unaccompanied combined transport[1] by rail: Main commodity flows in domestic and international transport, 2025

Transit transport[2]

Import/export

Domestic transport

Spatial division:NUTS 0 (Countries), major regions (CH)

[1] transport of containers, swap bodies and semi-trailers
[2] For reasons of readability, the traffic flows through Switzerland are grouped by transport direction (south, north), this is not the actual course of the transit corridors.
[3] excl. dead weight of the transport units
