Statistics on Health Services 2025

Record volume of outpatient hospital care and home care services in 2025

In 2025, home assistance and care services provided a record 29.6 million hours of care, 15.3% more than in 2024. The number of contacts with outpatient care recipients in hospitals also rose considerably (+3.9%) and the amount billed for these services exceeded CHF 10 billion for the first time. Inpatient care services in hospitals recorded a more modest increase in the number of admissions (+1.8%), as did nursing homes. The number of beneficiaries and places has risen by 0.9%, according to the latest figures published by the Federal Statistical Office (FSO).
