Families and Generations Survey 2013: Relationships

Where the heart is: Relationships and marriages popular

Neuchâtel, 31.03.2016 (FSO) – **More than three quarters of men and women aged between 18 and 80 are in a relationship and most of these live together with their partner. Marriage still remains common with four fifths of all people who live with a partner of the opposite sex being married. These are some of the findings of an analysis of relationships conducted by the Federal Statistical Office (FSO).**
