Swiss construction output price index in October 2017

Construction prices remained stable in October 2017

Neuchâtel, 21.12.2017 (FSO) – **The construction output price index remained unchanged between April and October 2017. It currently stands at 98.7 points (base October 2015 = 100). This result reflects an increase in building prices and a decrease in civil engineering prices. Year on year, construction prices fell by 0.3%. These are some of the findings from the Federal Statistical Office (FSO).**
