

New OASI and occupational pensions (PP), by age group and gender, 2017

Remarks:

OASI = old-age and survivors' insurance

PP = occupational pension plan

RA = retirement age

Legal retirement age: 65 (men); 64 (women)

The age groups included in the "before legal RA" and "after legal RA" categories depend on the pillar being considered:

OASI – "before legal RA": from 2 years before legal retirement age; "after legal RA": no age limit

PP – "before legal RA" from age 58 and "after legal RA" up to age 70
